

Thank you for coming by our table today. Whether you have a dog or are interested in adopting a dog, you most likely want to be the best parent you can be.

We are a local canine-friendly foundation created by dog owners like yourself. We are volunteers from a variety of different backgrounds, but we all have a common interest in sharing information that will improve the lives of our canine friends.

We disseminate information about the importance of spay/neutering and vaccinating dogs. As a community, we advocate the reporting of animal abuse and stopping the cycle of puppy-mill breeding. Regardless of how we adopt our dog, our furry family member ages like we do, and may need special care for arthritis, cataract, incontinence or dementia. We discover many parents are not prepared and need information.

We hope you enjoyed your visit today. Please visit our website for updates on general canine information and postings of our upcoming events.

LOVE YOUR DOG

THE MISSION OF THE COSTA MESA BARK PARK FOUNDATION IS:

- to provide the general public education concerning canine health issues, adoption needs, special needs of elderly canine;
- to encourage veterinary care, including vaccinations;
- to encourage owners to spay and neuter their pets;
- to organize periodic pet adoption events;
- to provide information on current animal rights issues;
- to disseminate canine related educational material to the public;
- to build alliances among local canine-friendly organizations, businesses and city governments.

Costa Mesa Bark Park Foundation is a 501(c)(3) nonprofit charitable foundation.
